# BEING GOOD

Teaching manners helps for the kindness and a sense of community. By practicing proper manners and etiquettes your child will learn to appreciate others more, be pleasant to be with and likely develop into a positive adult . Teaching manners isn't difficult if you put into practice early and reinforce polite behaviours daily. Let's share some tips to make these holidays a fruitful and happy period for them.

- Help your child inculcate good habits like doing 'Surya Pranam' & encourage him / her to greet all elders in the morning.
- Use 4 magical words : **PLEASE, SORRY, THANK YOU, EXCUSE ME** as the part of basics of good manners.
- Learn to listen.
- Gently care for animals.
- Sow a plant in a pot and give water. Give knowledge about plants and trees. Explain to them that they are an integral part of their growing up.
- Have atleast two meals together with your children. Teach them the importance and hard work of the farmer and ask them not to waste their food.
- Let them take their own plates after every meal . Children learn dignity of labour from such activities
